

# PX0811 Datasheet

Product Name // Sealing Cap For Mini Series Connector  
PX0800

 [View Product Page](#)

// Product Description:

- Sealing Caps for PX08 Mini Series Connectors
- Maintain IP rating of unmated connectors
- PX0810 fits all PX08 Mini Series Connectors except PX0800. When fitting, ensure "O" Ring seal is in place on main connector body
- PX0811 fits PX0800 Mini Series Flex Cable Connector. When fitting, ensure "O" Ring seal is in place in cap

// General Information:

|                                 |                                              |
|---------------------------------|----------------------------------------------|
| Product Display Title:          | Sealing Caps for PX08 Mini Series Connectors |
| Product Family:                 | Circular Power Connectors                    |
| Product Series:                 | Mini Buccaneer                               |
| Approvals:                      | UL                                           |
| Body Material:                  | Polyamide (PA)                               |
| Coupling Type:                  | Screw                                        |
| Diameter Over Coupling Ring Mm: | 26mm                                         |
| Flamability Rating:             | UL94V-0                                      |
| Function:                       | Accessory                                    |
| Ip Rating:                      | IP68                                         |
| Max Operating Temperature:      | +70°C                                        |
| Min Operating Temperature:      | -20°C                                        |
